Project Name: Holladay City Hall Seismic Retrofit Project

Recipient: City of Holladay

Address: 4580 S 2300 E, Holladay, UT 84117

Amount Requested: \$2,025,000

Project Explanation: The funding would be used for a seismic retrofit for Holladay's City Hall, home to critical city services, like the police precinct, justice court, the Building Department, and the community center. The project is an appropriate use of taxpayer funds because these upgrades will allow the city to address seismic deficiencies to prevent the facility from collapsing in the event of an earthquake. This retrofit will increase safety and allow the facility to continue to serve the public without the need for an expensive rebuild.

May 2, 2025

The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Holladay City Hall Seismic Retrofit Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Holladay, Utah, located at 4580 S 2300 E Holladay UT 84117. The funding would be used for a seismic retrofit for Holladay's City Hall, home to critical city services, like the police precinct, justice court, the Building Department, and the community center. The project is an appropriate use of taxpayer funds because these upgrades will allow the city to address seismic deficiencies to prevent the facility from collapsing in the event of an earthquake. This retrofit will increase safety and allow the facility to continue to serve the public without the need for an expensive rebuild.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Kennedy, M.D. (UT-03)

Member of Congress
