**Project Name:** Provo Airport Terminal Expansion and Wayfinding Project

**Recipient:** Provo City

**Address:** 445 W. Center St, Provo, UT 84601

**Amount Requested:** \$3,500,000

**Project Explanation:** The funding would be used to expand the terminal, install new passenger boarding bridges, and replace existing signage with a new wayfinding system that is standardized. The project is an appropriate use of taxpayer funds because given the recent growth in commercial service, the current terminal at the Provo Airport has reached capacity. This project will help drive economic development and provide more flight options for travelers.

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Provo Airport Terminal Expansion and Wayfinding Project in Fiscal Year 2026. The entity to receive funding for this project is Provo City, located at 445 W. Center St, Provo, UT 84601. The funding would be used to expand the terminal, install new passenger boarding bridges, and replace existing signage with a new wayfinding system that is standardized. The project is an appropriate use of taxpayer funds because given the recent growth in commercial service, the current terminal at the Provo Airport has reached capacity. This project will help drive economic development and provide more flight options for travelers.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Kennedy, M.D. (UT-03)

Member of Congress
